Sub: Maintenance charges on the station wagon supplied to the Health Officer, Tungabhadra Project, Hospet - Increase of - Sanction of Government - Requested.

In G.O. No. 1556 P.H. dated the 12th June 1945, Government have sanctioned a recurring expenditure of Rs. 2,000 per annum on account of maintenance charges for the station wagon of the Tungabhadra Project and pay and allowances of the dirver therefor. During 1948-49, a sum of Rs. 3,278/- has actually been expended for maintaining the station wagon, excluding the pay and allowances of the dirver which have been met from the provision under pay and allowances and not from contingencies.

2. The Audit Tungabhadra Project requires that Government sanction should be obtained for incurring expenditure in excess of Rs. 2,000 sanctioned in G.O. No. 1556 P.H. dated 12th June 1945. The increase in expenditure is due to the increase in prices of commodities required for maintenance of the station wagon. In G.O. No. 2110 P.H. dated 11th June 1949 Government have sanctioned an expenditure of Rs. 3,500 per annum for upkeep of the station wagon. In view of what has been stated above, I request that Government will be pleased to sanction the expenditure of Rs. 3,278/-(excluding the emoluments of the driver) actually incurred during 1948-49 for maintaining the station wagon of the Tungabhadra Project.

Yours faithfully,

Sd/ FOR DIRECTOR OF PUBLIC HEALTH.
